## **New Rector Update**

**The position of Rector has been re advertised with the closing date for applications being the 6th May with an interview date of the 27th May.**

You may wish to use this prayer during our time of interregnum.

*God our Father,  
you have welcomed each one of us in Jesus  
and called us to be his body in this place.  
Send us your Holy Spirit,  
at this time of uncertainty and change,  
to fill us with vision and energy;  
make us faithful in prayer and worship,  
that we may be true to our calling  
to bring new life to our community.  
Guide with your heavenly wisdom  
those who are to choose a new Incumbent for this  
parish, that the one whom we receive  
may be a wise and gentle shepherd of your people:  
ready to serve us with joy, to build us up in faith,  
and to lead us by example in loving obedience to your  
son, our Saviour, Jesus Christ. Amen.*

## **Pastoral Letter from Sue Elliott**

Hello everyone, I am writing this letter just as National Insurance payments have increased, energy costs are rocketing, food prices rising and the cost of living is going up and up! For some of you there is real anxiety about how you will manage to heat your homes, feed yourselves and your children and pay the rent or mortgage. For some the prospect of falling into debt is very real.

If the bills mount up and there seems to be no way out of the debt that you may be in I want to tell you about an organisation called CAP (Christians against Poverty). They have enabled many thousands of people to become debt free and helped many folk with managing their finances. Don't let letters from those you owe money to pile up unopened because you are too afraid to open them. Give CAP a ring for advice and they will come and help you. 0800 328 0006 <https://capuk.org/>

It's too easy to say 'don't worry'; that is very difficult – we are human beings! However, Jesus said, 'Who of you by worrying can add a single hour to your life?' (Luke 12:25) If we look for the good things in life that money can't buy maybe a little happiness will help overcome the worry. I am smiling now as I look out of the window at daffodils, hyacinths and tulips and birds singing and chasing each other around the gardens and rooftops - it's that time of year!

*In every life we have some trouble.  
But when you worry you make it double  
Don't worry, be happy!*

These are some words from Bobby McFerrin's song Don't Worry, Be Happy. For 4 minutes that will put a smile on your face listen to the whole song.

<https://youtu.be/d-diB65scQU>

As we move into summer I pray that happiness will overcome your worries and that you will be more aware that we have a God who loves each one of us. Blessings to you all,

**Sue Elliott**

## **Bible Study groups**

We will be back to meeting in church on Wednesday evenings at 7:30pm (starting on April 27<sup>th</sup>) and, for those of you who would prefer to stay on Zoom for the time being, we will ensure the link is available, resources are sent - and things will basically continue as before! Pre-Lent the groups were running as follows:

Tuesday afternoon on Zoom  
Wednesday evenings on Zoom and in church.  
And also a small group who meet in Dawn's home. Lorna is producing a 6 week unit based on some great material from the Bible Society which will focus on the time and events that come in-between Easter and Pentecost (Pentecost is June 5<sup>th</sup> this year). If you think you might like to join in then do let Lorna know. Go on - give it a try!
